It was summer and we were alone.

"AUNTIE'S" PANTIES

If she hadn't started playing with her pussy right in front of me...

"Damn that mutt," I growled, as Laura's floppy-eared mongrel scrambled past me, kicking sand in my face for the fiftieth time that day.

We were at the beach and my mom's friend's daughter Laura—a real pain in the ass that it seemed was never disciplined—was throwing my Frisbee to the mutt.

"Get it, Mickey!" she shouted. The dog retrieved it and before I could protect myself, he charged straight over my body, getting more sand on me. I sat up and glared at Laura. A skinny, dark-haired girl, she was staying with me and my parents at the beach for the summer.

"I'm gonna strangle that mutt and whack your ass, Laura," I snarled, remembering to keep my voice down so my mother and her friend Betty wouldn't hear me.

She dropped the Frisbee on the sand and sauntered toward me. I was lying on a blanket near the water and there weren't any other people nearby. She stood over me, wearing a dumb-looking bikini that just about covered her pussy.

The bikini top had no trouble concealing her almost totally flat chest. Looking up at her, I squinted, realizing that a few curly hairs were showing above the bikini bottom.

"You touch me and I'll tell your mother about that porn mag you've got under your bed," Laura threatened.

I felt myself turning red. I was 20, two years older than her, and I could pick her up with one hand if I felt like it. Lifting weights had filled me out pretty good. "How did you know about that?" I said, suddenly scared.

She gave me a funny look. "I saw you reading it this morning," Laura told me. I felt myself getting redder. If she saw me reading it, then she'd been peeking at me in the bathroom somehow, and she'd also seen me jerking off.

"You'd better keep your mouth shut," I warned her.

"I will if you let me look at it," she replied. She put her hand down inside her bikini and rubbed herself quickly, and then she blushed. "Can I see it, Tom?"

I shrugged, pretending not to be interested, but I was getting a hardon from looking up at Laura's scantily clad crotch - even if she was my first cousin. I sat up, but not before she saw the thickening bulge inside my swimming trunks. My dick was bigger than those of most other guys my age.

"You know where it is," I said, looking down the beach. "Don't let anyone see you, though."

"Where can I read it?" she asked nervously, looking around.

"Over there," I replied, nodding toward a sand dune.

Laura smiled, showing the ugly braces on her teeth, and she started toward the house. Mickey trotted after

her, his tongue drooling in the heat. I often thought he had the biggest, longest tongue I'd ever seen on such a small dog.

Laura went back to the cottage. Betty, her mom, is almost like an aunt to me. She was sitting under the awning on the porch and reading a magazine. She was younger than my mother. She was divorced and she dated guys a lot. She had a fantastic body for a woman of 33 and she was a terrific swimmer.

Betty saw me looking and she waved. She often kidded me about girls. She'd feel my muscles and give me a quick hug once in a while. That embarrassed me, but I got a terrific charge out of it, especially when her big, firm tits mashed up against me.

I'd already jerked off a dozen times while thinking about Betty's terrific body. In our four-room cottage, she and Laura had twin beds and I had a cot in a tiny room in the back; my parents used the other bedroom. There wasn't much privacy and I'd already seen Betty in her bra and panties. She wore sheer underwear that I could see through. She just giggled and covered up when I stared because she didn't mind.

Laura came back to the beach wearing a loose football jersey and I knew she had my girlie magazine hidden underneath. She headed down the beach; then, when she was out of sight, she circled around toward the dunes. She'd spied on me. Now I was going to watch what she did when she read my magazine. It pictured nude girls, mostly, but a couple of studs' dicks were shown also.

I walked quietly as I approached the bushes. There was a path leading to a little clearing in the middle. I'd found empty beer cans and a couple of used rubbers the day before. I was real quiet. The sun was hot as I crouched down, creeping the last few feet. Laura was fingering her pussy. Before too long I had a raging hard-on and I eased my suit down so my cock could stick straight out. I began massaging it while Laura was fingering herself. She was writhing and twisting as she stared at the magazine. She paused once to smell her fingers, and then she licked them before putting them back into her cunt.

I was pounding away at my meat even though I'd jerked off twice already that day, once while looking at that magazine and again while watching Betty cook breakfast wearing only a short nightie.

I felt the terrific tingle start in my toes and travel up to my crotch. I stared at my cock, then Laura's pussy, as I jerked faster. Then Laura and I came at the same time.

She finished herself off with a few final twitches and then she squatted and peed on the hot sand. She was staring straight at me, even though I thought I was hidden in the bushes. "I'll leave the magazine here, Tom," she said, her voice sounding funny. "I want to see it again, though; maybe after supper."

I stood up and pulled my suit up over my softening cock. "Yeah, Laura," I replied. I really felt stupid letting her see me beat my meat. "Just don't get caught."

She came toward me, her pussy still exposed. I could really get a good view of her reddened cunt lips.

"That was nice," she whispered. Then she giggled and disappeared into the brush. I hoped she'd remember to put her bathing suit back on before she returned to the beach.

I went up to the house and Betty was still in the beach chair beneath the awning. She was wearing a one-piece black tank suit made of material so thin it stuck in her pussy. I got a hard-on every time she wore it. Her thighs were sprawled apart and she was dozing. The suit was cut way up at the hips and when she'd stand up the

material was practically hidden between her beautiful, firm buns. In front the material didn't cover much more. I wondered if she fucked the guys she dated.

I rubbed my hardening cock inside my trunks and half a smile suddenly appeared on Betty's lips. "You're a naughty boy," she murmured. Then her eyes opened all the way as she smiled at my bulging cock and then at the guilty look on my face. "It isn't nice to have dirty thoughts about your mom's friend," she said. I looked nervously toward the door.

Then she laughed. "Don't worry, your mother took a walk to the store; you're safe."

"I'm sorry, Betty," I answered, feeling ashamed.

She laughed and looked down at herself. "Don't be, hon," she said. She reached down and caressed her tummy, running her fingers down between her legs. "I think you're a quite a hunk myself. I check you out too, sometimes."

I blushed. "Like when?" I mumbled. My erection was getting bigger. Betty then leaned her blonde head back and stared at me, her eyes half closed and real sexy. "Like when you were in the shower last night and forgot to lock the door."

I blushed again. The shower stall had no curtain and she had seen me jerking off.

There's nothing wrong with what you did," she whispered. Everyone masturbates occasionally."

I stared at her, still lying sprawled with her thighs wide apart, that thin narrow swimsuit barely concealing her pussy. Her hand rested between her legs, and then she massaged herself lightly and smiled. "Even you? I asked hoarsely. "Even me," she answered seriously.

To my amazement she slid her fingers beneath the suit and rubbed her pussy, and then she withdrew them. "See?"

My cock was once again at full hard-on now, bulging out like a thick pole, even with the tight nylon trunks covering it. I groaned and rubbed it.

She turned and looked toward the screen door, then down the beach. "Let me see it," she said urgently. She reached down and pulled her suit aside so I could see the moist, thick lips of her cunt. "Look at mine and show me yours."

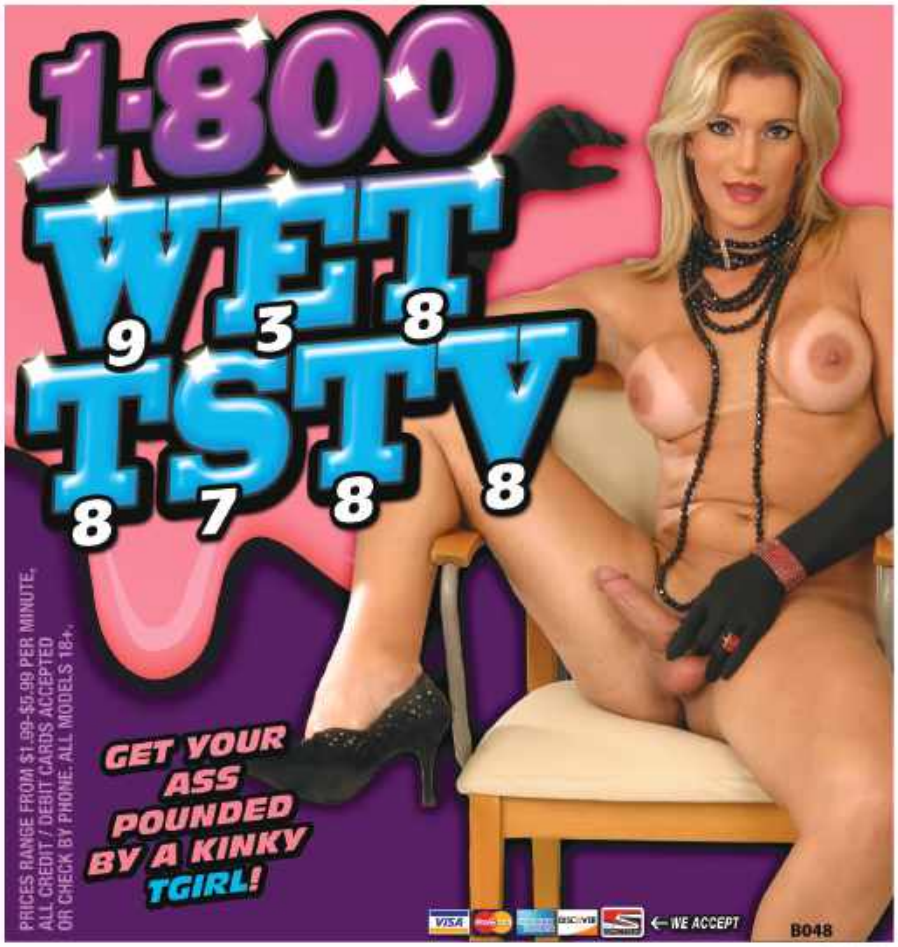

My heart was pounding. I was scared but hornier than I'd ever been in my life. Even though I had already unloaded three times (and it was still early afternoon), I was ready again. I slid my trunks down over my hips and looked down at the thick, throbbing length of my cock.

"That's beautiful, Tom," Aunt Betty breathed. She had pulled her suit farther aside and she was fingering her juicy pussy. With her other hand she reached out and grasped my cock. "We'd better go inside," she suggested.

After one last look around, she led the way - her

BLAIR-05

hand on my pecker. I pushed closer to her, my cock against her nearly naked asscheeks. I reached around and cupped her full, firm breasts, and for a moment her knees buckled.

"Wait, darling," she cautioned.

When we were inside she cupped my balls in her hot, moist hand and raised her lips for my kisses.

This was strangest of all - kissing my own aunt, her tongue flicking between my lips while she pressed against my naked body and positioned my cock between her legs. Then she slid the straps of her suit down and pushed it over her hips. I stepped away to look at her gorgeous, naked flesh. Her pussy hair was dark brown, but there wasn't much of it. I slid my fingers between the juicy, plump lips and for the first time in my life I felt a real cunt.

"Oh yes, Tom," she murmured, her arms around me. She was standing with her thighs spread so I could touch her deep inside. She backed up until her legs were against the sofa, then she eased down onto it. Our bathing suits were off and she was on her back, pulling me down after her, holding my rock-hard cock. With her legs drawn up and spread wide, she guided my heavy rod to her wet cunt and looked at me, her eyes bright and loving.

"Be gentle, darling," she whispered. "Don't hurt me... your cock is so big. That's it, nice and slow. Make it last a long time. It feels so good, Tom. Ohh, I'm coming..."

Betty spasmed again and again but I held back, not stroking until she had finished. Then I started shoving it in and out, feeling the slick wetness of her pussy squeezing my big dick. I was kissing her nipples—tonguing, sucking and nibbling on them. She was gasping and writhing and cupping my butt in her hands, a finger feeling around until it touched my asshole. She stuck it in a little at first, then some more, and I was pounding away while she slammed up to meet each stroke.

"Oh yes, sweetie. Fuck me!" she moaned.

"Now, Betty. I'm coming!" I groaned and shoved my cock in deep as I spurted again and again until my balls were empty.

After a while she got up and went to the bathroom.

She came back with a damp rag and wiped me clean; then she kissed my limp dick tenderly. "You're a wonderful lover, honey," she told me. "Tomorrow I'm going to teach you how to eat my pussy."

"Why do we have to wait, Betty?" I pulled her over me until she was straddling my face, her fragrant pussy so close I could see every fold. "Lower, Betty."

She pushed her pussy down until I could reach it with my tongue. In a few seconds we were going wild. My cock was hard again and I knew we ought to stop. My mother might come home or Laura might catch us, but I didn't care. It was all in the family and I was certain there'd be more to come.

BOB BLAIR

888-597-2739 OVER 18 TO CALL

Some readers wrote to us and asked that we share with you. So we will.

Guilty as Charged

The arrival of Ebony and Hanna had boosted morale in a big way.

Our newest servers, Ebony and Hannah, couldn't have been more different.

Ebony was black, big surprise, and supermodel thin. Hannah was a classic blonde beauty with big blue eyes and an hourglass figure. They started on the same day, learning the ropes from Mary, a fiftyish waitress who had plied her trade at every restaurant in town. Mary was a lifer, a food service flunky for the long haul; this was it for her, slinging hash until the bitter end.

I was surprised that she hadn't scared off the two young servers with her no-nonsense, take no prisoners approach to waiting tables, surprised and most pleased because those two were a spectacular sight for my thirty-seven-year-old eyes. The manager had a history of hiring some real hags; either that or dudes. Now the cooks and I had some sweet eye candy to savor throughout the workday. The arrival of Ebony and Hannah had boosted morale in a big way.

The scenery, so to speak, had undergone a major improvement . . .

I was partaking of the view when Clint, our smartass pantry cook, caught me looking. "I see you checking out Ebony's ass," he said to me. "Dirty old man——"

"Guilty as charged," I replied.

Ebony's stretchy black server's pants accentuated her tight caboose. Not an ounce of fat on that thing, no sir. Hers was a bulletproof butt in every sense of the word. Not that I was opposed to Hannah's bigger and curvier ass. Hell, I loved them both.

Imagine my smile when, after finishing up my shift, I spotted Ebony and Hannah waiting at the bus stop. Of course, I pulled over and offered them a ride.

Turns out it was the best decision of my life. Turns out Ebony and Hannah were roommates. Turns out they wanted to thank me for the ride by getting me higher than giraffe pussy with some of Ebony's topnotch weed . . .

Pleasantly stoned, I sat there on the sofa engaging in idle chitchat. We talked about the restaurant, bitching about the manager and lazy coworkers and asshole customers.

"That's why I wash dishes," I told them. "I don't have to deal with the public."

"Not a people person, huh?" Hannah remarked.

"Hell no," I said. "I hate people——"

Ebony giggled. "Damn, man. That's harsh."

The weed distorted my sense of time. I had no idea how long I had been hanging out at their apartment. Not that I had anything pressing to do. I lived alone. Mine was a simple life, bordering on the bohemian. Still, I didn't want to wear out my welcome . . .

I thanked them and started to get up. "Been fun."

"Not so fast," Ebony said. "We aren't through thanking you."

She exchanged glances with Hannah. Next thing I knew they were pulling down my pants and boxers and freeing my cock.

"Is this okay?" Hannah asked me. "I mean, like, are you cool with——"

BLAIR-NTS-09

"I'm totally cool with it," I told her.

Ebony on my left, Hannah on my right, I watched with amazement as they sandwiched me with superlative skill. Ebony sucked my rod while Hannah licked my ballbag. Then, after a few minutes, they switched. My cock was harder than a police baton. And I was still high. Teyerviced

It wasn't long before Ebony withdrew her juicy lips from my nuts and proceeded to get undressed. "I want to watch you fuck Hannah——"

Moments later I was doing just that. Her clothes scattered about the floor, Hannah lay on the sofa, her meaty thighs spread wide as I pumped between them. Her pussy clenched my member in its snug embrace. I thrust repeatedly, poking her twentysomething poon while Ebony, seated in a nearby chair, played with herself.

My gaze was torn, ping ponging between the two of them. Beautifully blonde locks spilled out beneath Hannah's head. Her tits were big and plush, bouncing crazily as I fucked her harder and faster. Ebony had one gangly leg draped over the arm of her chair, splaying her pussy in earnest as she employed her fingers to full effect.

She came first, crying out a full minute before Hannah, panting and writhing, climaxed. Excited beyond belief, I pulled out and leaned forward, holding my engorged cock above those big tits of hers. I creamed them good, you bet . . .

Unfortunately, I never hooked up with Ebony and Hannah again. Ebony was fired for coming to work smelling of weed. Hannah, miffed that her friend and roommate had been given the bum's rush, told the manager to piss off and quit in the middle of a busy lunch service.

Partying with those hot twentysomethings was the most fun I've had in years. Not bad for an old fellow pushing forty. Dirty old man, Clint had called me.

He didn't know the half of it!

– Tommy H., Tacoma WA

Not So Free Love

Stoned out of my mind, I closed the door behind me and hit the pavement. Fresh air and a long walk would do me good.

Not that I didn't dig my roommates; they were a cool crowd. Three chicks and two guys, including myself. Splitting the rent five ways kept expenses low. Still, I was feeling the pressure. I didn't have a job and my money was running out.

No doubt my father would have been amused. Walking along the city sidewalk with the rest of the hippies, I could still see his scowling face and hear his annoying voice upon learning that I was leaving home and splitting for the West Coast . . .

"Free love!? What a joke! Nothing is free in this world!"

My unsatisfactory home life was hardly unique. All of us here in the Haight-Ashbury section of San Francisco had come in search of a more authentic way of living. To hell with our parents and their conservative values.

Protest!

Sex!

Drugs!

All of the things I had read about and seen on TV proved to be true. The Haight was the epicenter of the counterculture movement, the perfect place to be if one had had enough of the square life.

Born and raised in the Midwest, I had definitely had my fill of closeminded America. Quitting my dead-end job at a filling station, I had said adios to my parents, and thumbed rides all the way to the land of milk and honey. Now, having been in The Haight for three weeks, I quickened my pace and frowned at the cracked pavement, wracking my brain for a way to make some quick bread.

"Hey, man, want to fuck?"

I looked up to see a spectacular set of tits . . .

The owner of these, a cute brunette with the dopey expression of the perpetually stoned, had pulled up her halter top. This was common. Horny chicks were always flashing their jugs on The Haight; theirs was a refreshingly no-nonsense invitation, a blatant rejection of the tiresome courting rituals practiced by their mothers.

She was dressed more like a biker Mama than a hippie. Still, I wasn't about to decline her offer. I got plenty of action from my roommates, sure. But variety is nice. And in my current worried state I could sure use some pussy.

"Is a bluebird blue?" I replied.

She smiled, pushed her top in place, and offered her hand. "Come on. I live just up the hill . . ."

It was a dingy place, small and dark, every surface littered with empty beer cans and cigarette ash.

"Do you live here alone?" I asked her.

She sighed wearily as if bored by my question. Then she took off her clothes—scuffed boots, dirty jeans, halter top—and beckoned me to the sofa. Mesmerized by her movements, I hastened out of my threads.

She lay there, spread her slender legs, and played with her hairy pussy. I grabbed one of her ankles, pushing her leg back. My left hand still gripping her ankle, my right holding my cock, I moved on top of her.

"Groovy, baby," she said. "Stick it in . . ."

I pushed inside her. My feet were planted on the floor, giving me much leverage as I proceeded to pound her repetitively. Hers were big tits for one so skinny; they jerked and jiggled as I fucked her.

Moments later I withdrew and had her change positions. "Flip over," I said.

She had a tight little ass, compact and all but begging for it. I lifted my knee to the sofa, keeping one foot on the floor as I took her from behind. Long brown hair cascaded down her pale, heavily freckled back. I fucked her doggy-style, pumping away with increasingly stiff jabs which made her moan like a banshee.

I had meant to have her finish me with her mouth. But my excitement got the best of me. No sooner had I pulled out than my cock erupted all over her ass.

I had just gotten dressed when she started talking about money. I thought she was kidding. At first, anyway. Until it became apparent that she expected payment for our time together.

What about free love? I was shocked. I told her that I had misunderstood. "I'm sorry. I don't have any—"

The loud rumble of a motorcycle cut me off.

"That's Lou," she said. "Boy, are you gonna' get it!"

I hastened to the door. She tried to block my path, but I was a step too quick. I was reaching for the knob when the door swung open . . .

Lou.

He was the scariest biker I had ever seen. And I had seen quite a few since coming to The Haight. They were a growing faction of undesirables who had migrated to the area. Peace and love meant nothing to these folks; they preferred speed to the mellowing effects of grass, violence to the typically peaceful protest. They were opportunistic criminals, plain and simple.

Lou was all denim and leather, chains and spikes.

"That cheapskate tried to stiff me, Lou!"

He was, among other things, her pimp. It didn't take a master sleuth to figure this out. And I was no master sleuth. I was, however, in deep shit . . .

The enraged biker cocked a ham hock of a fist. "Pay up, asshole!"

I hated to admit it, but my father was right. Nothing is free in this world, he had said.

I would learn this the hard way . . .

lexi and sophie

the girls are back in town

Lexi and Sophie are two hotties who just returned from college and feel they need to get their pussies properly fucked in this orgy of a party! They all gathered to have a fun time at the house, but the party quickly turned into an all out orgy. The two babes look amazing while taking every single inch of these big dicks balls deep. In the end, all the guys tried their best to satisfy the ladies' ravenous sexual appetites.
